

Invasive Plant Removal at Stephen Decatur Park

Date: Saturday, May 19, 2018

Time: 10 AM to 11:30 AM

Meeting Point: Trail head of the nature trail around the pond at Stephen Decatur Park, Tripoli St, Berlin, MD

Invasive plants are like aliens taking over the world. Nature is not equipped to keep these introduced species in check, so it needs your help! We will remove some of the spreading vines and shrubs at Stephen Decatur Park and give native plants space to grow again. Gloves, and some tools will be provided. If you have garden clippers, please bring them (for adult use only). Please wear long pants and sturdy shoes.

Number of spaces available: No limit. Please sign up for the event at www.actforbays.org/coastkids, or by calling the Assateague Coastal Trust office at 410-629-1538. Leave a message with your name, phone number, and number of participating kids, so we know how much equipment to bring. The event is free for members and non-members.

Directions: *Ocean City:* Take Rt. 50 W. Turn onto RT. 113 S. Turn right onto Tripoli Street and park on the right-hand side of Stephen Decatur Park.

From Salisbury: Take Rt. 50 E, then turn right onto Rt. 113 S. Turn right onto Tripoli Street and park on the right-hand side of Stephen Decatur Park.
