The Teen Nature Explorers Aquatic Science Summer Program teaches you real-life experiences in environmental science:

- Perform a physical, chemical, and biological river assessment
- Learn about plankton in the bay
- Study Assateague Island’s geology and geography
- Take water samples aboard the coastkeeper boat and learn about water pollution
- Go kayaking, birding, and have lots of fun outdoors!

Monday, July 6 to Thursday, July 9 from 9 AM to 1:30 PM

Costs: $150 per week (Discounts: $140 for signing up before 4/15/20)

- Age: boys and girls 13 to 16 years old.
- Participants are required to be dropped off and picked up at a number of different locations.
- Participants need to bring a bag lunch.
- Only 8 spaces available!
Schedule, locations and topics:
