

Pollinator Class and Butterfly Art Project

Date: **Sunday, September 17, 2023**

Time: **1pm to 2:30pm**

Meeting point: **EverMoore Park**

Address: **Next to Baked Dessert Café at 4 Bay Street in Berlin, MD**

There is a new pollinator garden and hangout spot in downtown Berlin right across the street from the town offices. Owners Michael and Deborah Everett made a beautiful meeting place for butterflies as well as social butterflies. Please join us for a pollinator class and learn about butterfly species, ecology, and migration. Kids are invited to paint butterflies and flowers on the tabletops with permanent paint. We'll bring old T-shirts for smocks.

Number of spaces available: No limit! Please sign up for the event at www.actforbays.org/coastkids. The event is free for Coast Kids members and non-members.
